

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**SB 344 - HB 1300**

March 30, 2017

**SUMMARY OF BILL:** Requires certain candidates for United States Senate to be nominated by members of the Tennessee House of Representatives and Tennessee Senate.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- The proposed language would only apply to candidates for United State Senate who are seeking nomination from either the majority or minority party. Nominations for United States Senate for a recognized minor party will not be changed under the provisions of this legislation.
- Under current law, pursuant to Tenn. Code Ann. § 2-13-202, statewide political parties nominate their candidates for Governor, General Assembly, United States Senate, and United States House of Representatives, with such candidates placed on the primary election ballot in the August.
- Candidates of the majority or minority party for a United States Senate seat will be removed from the primary election ballot and be nominated by members of their respective political parties serving in the Tennessee House of Representatives and the Tennessee Senate during joint caucuses.
- It is assumed that any joint caucus meeting will occur during a regularly-scheduled legislative meeting and will not require additional payment of per diem or travel reimbursement for members of the General Assembly.
- Primary elections will still be held for other state and local offices; therefore, the removal of candidates for United States Senator from primary election ballots will not result in any significant decrease in state or local government expenditures.
